REORGANIZATION PLAN NO. 4 OF 1966

Eff. Aug. 23, 1966, 31 F.R. 11137, 80 Stat. 1611

Prepared by the President and transmitted to the Senate and the House of Representatives in Congress assembled, June 13, 1966, pursuant to the provisions of the Reorganization Act of 1949, 63 Stat. 203, as amended [see 5 U.S.C. 901 et seq.].

NATIONAL ZOOLOGICAL PARK BUILDINGS AND BRIDGES

All those functions of the Board of Commissioners of the District of Columbia which were vested in the municipal architect of the District of Columbia by the provisions of the Act of August 24, 1912, c. 355, 37 Stat. 437 (20 U.S.C. 84; D.C. Code [former] §8-134), in respect of buildings of the National Zoological Park, and all functions of that Board which were vested in the engineer of bridges of the District of Columbia by those provisions in respect of bridges of the National Zoological Park, are hereby transferred to the Smithsonian Institution.

MESSAGE OF THE PRESIDENT

To the Congress of the United States:

I transmit herewith Reorganization Plan No. 4 of 1966, prepared in accordance with the Reorganization Act of 1949, as amended, and providing for a reorganization relating to the National Zoological Park located in the District of Columbia.

Today, all responsibilities for the administration of the park are vested in the Smithsonian Institution with one exception—the function of preparing plans and specifications for the construction of buildings and bridges at the zoo. That statutory responsibility is now conducted by the Board of Commissioners of the District of Columbia [now the Mayor].

Under the accompanying reorganization plan, the responsibility for the preparation of these plans and specifications would be transferred from the District of Columbia Board of Commissioners to the Smithsonian. The complete administration of the park would then be vested in one agency—the Smithsonian Institution. This will allow the more efficient and effective development and management of the park.
